Re: Request Award of 2017 Utility Truck quote

Mayor and Board Members,

At the November 9th Board of Works meeting quotes were opened for one 1/2 ton Dodge truck with a trade-in and purchase of a new 1 ton Dodge truck. We would be trading in a 1999 Ford with 78,000+ miles, and is in poor condition. We invited three dealerships to quote the Utility pricing for these two trucks. Once approved, the funds required to pay for these vehicles would be from the 2017 Budget as approved by the Common Council. We will take delivery no later than 28 February 2017 .

Dealer:	Total quote:
Tom O'Brien Chrysler, Jeep, Dodge, Ram	\$60,708.40
Dellen Automotive	\$59,587.00

I would like to recommend approval of the low quote of Dellen Automotive for \$59,587.00 with the option to have Rhino spray-in bed liner for an additional \$160.00. Total requested authorization would be for \$59,747.00 as they met all specifications and requirements. If the Board has any questions please contact my office.

Respectfully Submitted,

Charles Gill
Water Utility Superintendent

cc: Mike Fruth, Utility Director
