Re: New Hire Nathan Delagrange

Mayor & Board Members,

During last year's budget hearings a new position of "Plant Electrician / Mechanic" was approved by the City Council. This person was to work out of the Wastewater Plant, but could leave to assist other City buildings or departments.

Michael Fruth, Mitch Ripley and I reviewed about 26 applications, many with over 30-years of experience in the electrical field. Some of the top candidates were interviewed, with Nathan Delagrange being selected to take this new position.

He has passed the pre-employment physical and required screenings prior to this meeting. The starting salary for this position will be \$30 per hour, with a start date of February 16, 2019. We are requesting the Board's permission to hire Nathan Delagrange to fill this new position at the pay rate and start date previously mentioned.

Sincerely,

David Scheiter

David Scheiter, Manager
Greenfield Wastewater Utility
