Re: Recommendation to Award Well 1-3 and Water Main Project

February 26, 2019

Mayor and Board Members,

At the February 12, 2019 Board of Works meeting, the Water Utility requested to open bids for our Well #1-3 Well house and Water Main project. We had four companies provide sealed bids to the city. The following table is a summary of the bids that were opened:

Contractor	Bid Price
TSW Utilities Solution INC.	\$647,233.00
Brackney INC.	\$599,765.00
C&HM Excavating	\$585,569.45
Culy Contracting	\$405,566.00

Our project engineer and the Water Utility senior staff have evaluated each bid to ensure that the successful bid met all of the requirements of the project. Based on this review, I recommend to award this work to Culy Contracting for \$ 405,566.00. We will issue notice to proceed as soon as possible after the contract is fully executed by the Board of Works.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "Charles Gill".

Charles Gill, Manager
Water Utility
