Re: Quotes for hydrant and tank painting

February 26, 2019

Mayor and Board Members,

At the January 22, 2019 meeting of the Board, the Water Utility had the quotes opened for two activities. The first was for painting of the public hydrants. We sent invitations to quote to three companies and received one response. Unfortunately, after our staff review and the City Attorney, this response did not meet our specifications and therefore will be rejected.

The second activity is the painting of the total of three tanks, the two pressure filter tanks and the detention tank that holds the unfinished water prior to being filtered. Two companies provided quotes for this work. Ellison Blasting quoted to paint all three tanks as a single job. The Leary Construction Co. INC., quoted to paint the filters and detention tanks separately.

Hydrant and Tank Coating

CONTRACTOR	DESCRIPTION	QUOTE AMOUNT
Ellison Blasting	Coat two filter tanks and detention tank	\$ 17,250
Leary's Construction Co. INC.	Coat Detention tank	\$ 12,680
Leary's Construction Co. INC.	Coat two filter tanks	\$ 11,600

I request the Board approve the quote of Ellison Blasting in the amount of \$17,250 to coat two filter tanks and the detention tanks. I welcome any questions or concerns the Board may have regarding this request.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "Charles Gill".

Charles Gill, Manager
Water Utility
