Memo

Re: HSI Travel

Captain Munden I have been asked to go to Las Vegas to help train and do live airport interdiction operations with their Airport Bulk Cash Smuggling Group April 6, 2019 through April 9, 2019. All expenses will be paid through HSI Las Vegas. I have also been invited to Los Angeles, California May 13, 2019 through May 17, 2019 for a one day airport interdiction training and a 3 day boots on the ground live interdiction at LAX. With both details all expenses will be paid by HSI. The only expense that will be accrued would be housing for K9 Eragon. It is my understanding that any seizures I will be involved in during both operations, Greenfield Police Department will be able to submit a tag to share the proceeds of the seizures. Please let me know if you have any further questions.

Respectfully submitted,
Det. Borgmann
