Re: Opening of well cleaning quotes

July 9, 2019

Mayor and Board Members,

The quotes that the Utility is requesting to be opened are for the cleaning and maintenance of Well 1-1 located at the North Water Treatment Plant. The utility requested quotes from three vendors that are known for performing this type of work.

Vendor	Total quote price
Lane	
Peerless	
Ortman	

I would recommend to table these quotes until the July 23, 2019 board meeting, at that time we would make the recommendation to the board for approval at that time.

Respectfully Submitted,
