Re: Recommend Approval of Transfer

July 9, 2019

Mayor and Board Members,

The Water Utility interviewed internally to fill the vacant Distribution Operator Position. This vacancy was the result of an employee transferring to our Waste Water Department. Mr. Johnathan Pritchett applied for the position and after a successful interview was selected to fill this position. Mr. Pritchett has worked for the Street department, Indiana Department of Transportation, and the United States Army. I believe that Mr. Pritchett has the skills and abilities that would fulfill this position within the Utility.

I recommend the Board approve the regular hire of Mr. Pritchett for the position of **Water Distribution Operator E** with an hourly rate of **\$20.59** with no on-call pay effective **July 13, 2019**. His first day with the Water Department will be **July 15, 2019**.
