Greenfield Board of Works and Safety

RE: Fire Alarm Panel

Request permission to seek a quote from Nelson Alarm to replace the fire alarm panel at the police department. The current Simplex alarm panel continues to fail and I struggle to get Johnson Controls DBA Simplex Grinnell to come and make repairs. This has been an ongoing problem since February of 2019 and I would like to terminate business relations with Johnson Controls due to lack of response.

Jeff Rasche  
Chief of Police
