Re: Approval of Change Order 2

August 13, 2019

Mayor and Board Members,

The East Water Tower work is nearing completion, however the contractor has identified additional work to be completed. The attached document details the work to be done prior to beginning to bring the tower into service. I would request the board approve **Change Order #2** in the amount of **\$3,500** as presented.

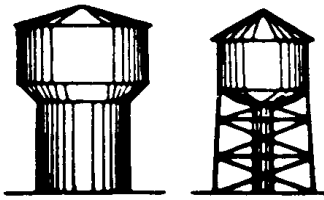

I welcome any questions the Board may have on this recommendation.

Respectfully Submitted,
