Greenfield Board of Works and Public Safety

In 2018, funding not to exceed \$45,000 was approved to make needed repairs and updates to the 7 existing early warning sirens in Greenfield. As this project comes to an end, just over \$44,000 has been spent on equipment and labor. To complete this project, an additional not to exceed amount of \$25,000 is requested and all work should be completed by the end of August.

If approved, an Ordinance will be presented to the Greenfield City County requesting appropriation of funding out of LOIT Public Safety.
