Re: Utility SCADA RFQ Decision

Mayor and Board Members,

I am requesting the Board approve the decision to move forward with Maxim Automation for the design, build, and installation of a new SCADA systems for the treatment plant and the collection system. After reviewing the qualifications of each vendor that responded to the RFQ with the review committee, we feel that Maxim Automation's abilities best suit our needs at this time.

Please let me know if there are any questions regarding this request.

Best Regards,

Nicholas Dezelan, CHMM, ASP
Wastewater Utility Manager

cc: Michael Fruth, Utility Director
Dan Worl, Business Service Manager
