Re: Opening of Quotes for Garage Door replacement

February 11, 2020

Mayor and Board Members,

This sheet is provided for the Board to record information from the quotes received for this work. We prepared a specification sheet which was provided to vendors for them to produce quotes for the replacement of garage doors and associated equipment at the Administrative Building Maintenance Shop.

Below is a chart listing the responsive companies:

Vendor	Total price quoted
Precision Garage Door	
Garage Doors Today	
Armstrong Garage Doors	

I request the board table these quotes until the February 28, 2020 Board meeting to award this work for the Water Utility. I welcome any questions the Board may have on this process.

Respectfully Submitted,
