Chief,

I'm emailing to inform you on some changes. After careful consideration, I have elected to accept a full time position with another department. This choice was not easy and I can only hope it's the right one for my family and I.

Thank you for offering me the opportunity and I hope there is no animosity. I wish you and your department well.

Respectfully,

Damon Mack

Damon,

You received a passing score from the CVSA today. Please continue to plan to be at your pension physical appointment that was sent in a previous email. Feel free to reach out if you have any questions.

Thanks,
