In accordance with Indiana Code 32-23-2-5, this encroachment agreement is being created from real estate most recently transferred to Grantor in a deed recorded as Instrument Number _____, in the office of the Recorder of Hancock County, Indiana.

Encroachment Agreement

This agreement is made and entered into this 10 day of June, 2020 by and between the City of Greenfield (hereinafter "Greenfield") and John Whistler II (hereinafter "Landowner").

In consideration of Greenfield granting Landowner the right to encroach upon a drainage or utility easement previously platted and granted to Greenfield, Landowner agrees as follows:

1. **Scope and purpose of encroachment** – Landowner is granted the right to encroach upon the drainage or utility easement located at 122 Winfield Park and more specifically described as follows:

Winfield Park Park Section 2 Lot 17
_____ The purpose of the encroachment is
specifically limited to
full encroachment of DETU of 10 ft.

Landowner may not change the scope or purpose of the encroachment without the specific written consent of Greenfield, which such consent may be withheld at Greenfield's sole discretion.

2. **No waiver of rights** – Landowner acknowledges that Greenfield does not, in any way, waive or forfeit its full right to use and enjoyment of the drainage or utility easement. Upon request by Greenfield, Landowner shall remove the encroachment for the purpose of allowing Greenfield, or any public utility access to the easement. Should Landowner fail to remove the encroachment within a reasonable period of time, Greenfield or any public utility may, at its discretion, remove the encroachment and assess Landowner the cost of removing the encroachment.

3. **Limitation of liability** – Landowner agrees to indemnify and hold Greenfield harmless for any and all actions arising out of any claim for personal injury (including death), property damage, consequential damages, attorney fees and costs caused by Landowner's encroachment upon the drainage or utility easement. Under no circumstances will Greenfield or any public utility be liable for any claims by Landowner for any personal injury or damages caused by Greenfield or any public utility's removal of the encroachment.

4. **Recording of Agreement** – Landowner shall cause this Encroachment Agreement to be recorded in the Office of the Recorder of Hancock County and return a copy of this agreement with its recorded instrument number to Zoning Administrator.

5. **Effective date** – This encroachment agreement shall be effective upon its recording in the office of the Recorder of Hancock County and shall remain in full force and effect until revoked by either party in writing. This agreement is binding on the heirs and successors-in-interest of Landowner. Any amendment to this agreement must be in writing, signed by the parties hereto.
