Re: Encroachment Agreements

Members:

Our department has received a request to encroach into utility/drainage easements for the purpose of constructing a fence. The residential property owner has applied for an improvement location permit and an encroachment agreement into the existing easement. Upon review of the application, our staff has determined the encroachment **will not** adversely affect the use of the easement. Therefore, it is my recommendation that the Board **approve** the following encroachment agreement with any conditions as outlined below.

**Chantal Hacker – Lot 221, Sawmill, 294 Rambling Road**

Fence to encroach 10' into the 10' west drainage easement.

Respectfully,

Joanie Fitzwater  
Zoning Administrator
